## OFFICE OF THE MAYOR LAUNCHES OFFICIAL WEBSITE

**Castries, August 9, 2017** – The Office of the Mayor in Castries has launched a new website designed to improve services to the public.

The new website contains information about the attractions within the City of Castries as well as information about the history, services of the Castries Constituency Council and the 50th anniversary calendar of events.

His Worship, Mayor Peterson D. Francis said, “The website features a beautiful visual design which marks a meaningful step in making our services accessible to the public. Our goal is to provide a website that is welcoming and user-friendly.”

“As a City, we strive to set new standards of excellence, and we look forward to continue to build a beautiful and safe City. This website does justice to the grand history of the office of the mayor, and also reflects the modern day services it renders. My wish is to make the office of the Mayor and the Castries Constituency Council as accessible as possible to all by making it modern and relevant.”
